# Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2023. Contact your State for more information on eligibility –**

# Notice of Grandfathered Group Health Plan

Name of Plan Sponsor: LIFE, Inc.

Date of Notice: July 01, 2023

Grandfathered Status for Current Plan Year: GRAY GRANDFATHERED

The health plan provided by the Plan Sponsor listed above for the eligible participants is Transitional under the federal Patient Protection and Affordable Care Act (PPACA).

As permitted by PPACA, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. However our plan benefits will be compliant with the new benefit mandates as of our renewal, but that does not affect our status as a grandfathered plan for the coming plan year. As such, certain consumer protections of PPACA that apply to grandfathered and non-grandfathered plans, (like the requirement for the provision of preventive health services without any cost sharing) as well as other consumer protections provided by PPACA, (e.g. the elimination of lifetime limits on benefits) are included in our benefit package. As a grandfathered health plan, we may choose to not enroll your child who is under 26 years of age if they are eligible for other group coverage.

For transitional plans such as yours, the Affordable Care Act requires coverage of certain preventive services be provided at an in-network provider with no cost-sharing. The list of required preventive tests are determined by the United States Preventive Services Task Force (USPSTF), an independent, volunteer panel created under federal law, and include screenings, services and preventive medications which are available to be viewed online:

[https://www.uspreventiveservicestaskforce.org/uspstf/topic\\_search\\_results?topic\\_status=P&grades%5B%5D=A&grades%5B%5D=B](https://www.uspreventiveservicestaskforce.org/uspstf/topic_search_results?topic_status=P&grades%5B%5D=A&grades%5B%5D=B). Certain benefits for covered employees and dependents who have current symptoms, or a diagnosed health problem may be covered under the "diagnostic services" benefits, instead of this benefit, if the coverage does not fall within the state or ACA-recommended preventive services. For more information about preventive care as it relates to ACA mandates, please contact the individual named below or refer to the <https://www.healthcare.gov/coverage/preventive-care-benefits/> for more information.

Requests for further information or questions (such as which protections apply to a Transitional health plan and how a change in plan status affects employees) about this notice can be directed to the individual listed below or you may also contact the Employee Benefits Security Administration, which is a part of the U.S. Department of Labor at 1-866-444-3272 or visit their website at [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform).

# HEALTH INSURANCE MARKETPLACE NOTICE

## Your Health Coverage and Coverage Options For Employees of LIFE, Inc.

Form Approved  
OMB No. 1210-0149  
(expires 6-30-2023)

### Introduction

Since key parts of the health care law went into effect in 2014, there has been a new way to buy health insurance: Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the Marketplace and employment-based health coverage offered by LIFE, Inc..

### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. The most recent annual open enrollment for health insurance coverage through the Marketplace ended on January 15, 2023. The enrollment period for 2024 is expected to be open for 2024 between November 1, 2023, and January 15, 2024. However, in some situations, you may be eligible to enroll in the Marketplace if there was a Special Enrollment Event.

### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but **only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards**. The savings on your premium that you're eligible for depends on your household income.

### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

**Yes.** If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of the lowest-cost medical plan offered of a plan from your employer that would cover just you as an employee is more than 9.12% for calendar year 2023 of your household income, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit. (An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs).

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution – as well as your employee contribution to employer-offered coverage – is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

Under new rules for 2023, the members of your family (spouse and/or tax-dependent children) could be eligible for subsidized coverage through the Marketplace even if the coverage offered to you meets the affordability standard referenced above. If the cost of covering your spouse and/or children exceeds 9.12% of your household income, then they may be eligible for subsidized coverage. Use the contact information below to be connected with an agent who can help you look at your options.

### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your Summary of Benefits and Coverage or contact Wilson Raynor at 919-778-1900 or wraynor@lifeincorporated.com.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit **HealthCare.gov** for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

- OPTION 1: We do offer coverage. Eligible dependents are: Children up to the age of 26.
- OPTION 2: We do not offer coverage to dependents.

Based on the information available at the time of preparation of this Notice, the health benefits provided by LIFE, Inc. meets the minimum value standard, and the cost of this coverage to you does not exceed the maximum allowable based on employee wages (Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace). The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), or you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

As a result, employees in the group health benefits sponsored by LIFE, Inc. are likely **not eligible** for premium subsidies in the Marketplace. Effective, January 1, 2023, eligible dependents who are eligible to participate in the group health plan offered by LIFE, Inc. (whether enrolled or not) may still be eligible for subsidized coverage through the Marketplace if the cost for those eligible dependents under the lowest-cost employer-sponsored plan exceeds 9.12% of the household income. However, if an eligible dependent has access to a group health plan through their employer (whether enrolled or not), and chooses not to participate in that employer-sponsored plan, that dependent may not be eligible for subsidized coverage through the exchange.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you will enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you are eligible for a tax credit to lower your monthly premiums.

You may also contact Jerod Cohen of Snipes Insurance Service, Inc. at 919-571-4335 or [jscohen@ebenbenefits.com](mailto:jscohen@ebenbenefits.com) to help walk you through the process to determine eligibility.

# Medicare Part D Notice

## Important Notice About Your Prescription Drug Coverage and Medicare

All employers who offer a group health plan that provides pharmacy coverage are required to send a notice to all plan participants who are eligible for Medicare about your options under Medicare's prescription drug coverage. Because we do not track which of our employees or if your dependents are eligible for Medicare, we are meeting this obligation by providing this notice to all employees who are eligible for our benefits program. This notice does not apply to you if you or your dependents are not Medicare eligible. If you or a covered dependent are Medicare eligible, or will become Medicare eligible during this Plan Year or the next calendar year, this notice is important to you and contains important, time sensitive information which could help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Please read it carefully, keep it where you can find it and act to protect your interests.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Based on the standards established by CMS, we have determined that the prescription drug coverage offered as part of the LIFE, Inc. group health and prescription drug plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

### When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan. You should also know that if you drop or lose your current coverage and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

### When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

### For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a penalty with higher premium.**

# Annual Notices Required by Applicable Law

## No Pre-Existing Condition Provisions

With the passage and implementation of the Affordable Care Act, individual and group health plans are prohibited from containing pre-existing condition limitations at renewals that occur on or after January 1, 2014. This group health plan does not restrict coverage for medical conditions present before an individual's enrollment.

## Notice of Special Enrollment and Nondiscrimination Rights under HIPAA

**Right to get special enrollment in another plan.** If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents' coverage ends under Medicaid or a state children's health insurance program.

If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance.

To request special enrollment or obtain more information, contact Wilson Raynor at 919-778-1900 or [wraynor@lifeincorporated.com](mailto:wraynor@lifeincorporated.com).

- Therefore, once your coverage ends, if you are eligible for coverage in another plan (such as a spouse's plan), you should request special enrollment as soon as possible.

**Prohibition against discrimination based on a health factor.** Under HIPAA, a group health plan may not keep you (or your dependents) out of the plan based on anything related to your health. Also, a group health plan may not charge you (or your dependents) more for coverage, based on health, than the amount charged a similarly situated individual.

**For more information.** If you have questions about your HIPAA rights, you may contact your state insurance department or the U.S. Department of Labor, Employee Benefits Security Administration (EBSA) toll-free at 1-866-444-3272 (for free HIPAA publications ask for publications concerning changes in health care laws). You may also contact the CMS publication hotline at 1-800-633-4227 (ask for "Protecting Your Health Insurance Coverage"). These publications and other useful information are also available on the Internet at: <http://www.dol.gov/ebsa>, the DOL's interactive web pages - Health Elaws, or <http://www.cms.gov/Regulations-and-Guidance/Health-Insurance-Reform/HealthInsReformforConsume/index.html>.

## Newborn and Mothers' Health Protection Act Notice

Under Federal and state law you have certain rights and protections regarding your maternity benefits under the Plan. Under the "Newborns' and Mothers' Health Protection Act of 1996" (Newborns' Act) group health plans and health insurance issuers generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting

with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

### **Waiting Period Protection for Rehires**

For Applicable Large Employers Only: Under the Employer Shared Responsibility Penalty regulations adopted in accordance with the Affordable Care Act, LIFE, Inc. will waive waiting periods for previously eligible employees who were rehired to a full-time eligible position within 13 weeks (26 for educational institutions such as schools) of the date of their termination.

### **Women's Health and Cancer Rights Act Annual Notice**

Do you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema? Call your plan administrator at 919-778-1900 for more information.

### **Mental Health Parity & Addiction Equity Act Notice**

The Mental Health Parity & Addiction Equity Act (MHPAEA), as amended by the Patient Protection and Affordable Care Act (the Affordable Care Act), generally requires that group health plans and health insurance issuers offering group or individual health insurance coverage ensure that the financial requirements and treatment limitations on mental health or substance use disorder (MH/SUD) benefits they provide are no more restrictive than those on medical or surgical benefits. This is commonly referred to as providing MH/SUD benefits in parity with medical/surgical benefits.

MHPAEA generally applies to group health plans that provide coverage for MH/SUD benefits in addition to medical/surgical benefits.

DOL has primary enforcement authority with regard to MHPAEA over private sector employment-based group health plans, while HHS has primary enforcement authority over nonfederal governmental group health plans, such as those sponsored by state and local government employers. HHS also has primary enforcement authority for MHPAEA over issuers selling products in the individual and fully insured group markets in states that have notified HHS' Centers for Medicare & Medicaid Services that they do not have the authority to enforce or are not otherwise enforcing MHPAEA. In all other states, generally the state is responsible for directly enforcing MHPAEA with respect to issuers.

Unless a plan is otherwise exempt, MHPAEA generally applies to both grandfathered and non-grandfathered group health plans and large group health insurance coverage. Also, the Affordable Care Act requires all issuers offering coverage in the individual and small group markets to cover certain essential health benefits (EHB), including MH/SUD benefits. Final rules issued by HHS implementing EHB requirements specify that MH/SUD benefits must be consistent with the requirements of the MHPAEA regulations. See 45 CFR 156.115(a)(3).

Under the MHPAEA regulations, if a plan or issuer provides MH/SUD benefits in any classification described in the MHPAEA final regulation, MH/SUD benefits must be provided in every classification in which medical/surgical benefits are provided. Under PHS Act section 2713, as added by the Affordable Care Act, non-grandfathered group health plans are required to cover certain preventive services with no cost-sharing, which include, among other things, alcohol misuse screening and counseling, depression screening, and tobacco use screening. However, the MHPAEA regulations do not require a group health plan or a health insurance issuer that provides MH/SUD benefits only to the extent required under PHS Act section 2713, to provide additional MH/SUD benefits in any classification.

LIFE, Inc. is compliant with the MHPAEA requirements for the current plan year.

## Michelle's Law Notice

Beginning January 1, 2010, if you have a dependent child older than age 18 who is enrolled at a post-secondary institution (e.g., college or university) on a full-time basis, he or she may be eligible to continue to be covered as a dependent if he or she loses full-time student status due to a serious injury or illness. In order to be eligible to continue coverage as a dependent under Michelle's Law:

- the dependent child must be enrolled in our group health plan based on full-time student status immediately before the first day of the medically necessary leave of absence;
- a doctor's written certification of the medically necessary leave of absence must be submitted to the health insurer; and
- proof of full-time student status before the leave of absence may also be required to be submitted to the health insurer.

Continued dependent coverage will be extended for at least one year after the first day of the leave of absence, but may end earlier if the dependent child does not meet the dependent eligibility requirements under our group health plan, such as meeting the limiting age for dependent eligibility under the plan. If dependent coverage under Michelle's Law ends, the dependent may be eligible for continuation coverage under the provisions of our group health plan.

If an eligible dependent remains enrolled in our group health plan under Michelle's Law, the dependent child will continue to be in the same medical benefit options that he or she was in prior to the medical leave of absence.

## Qualified Medical Support Order (QMSO) Notice

In accordance with federal law, LIFE, Inc. is required to comply with valid state or federal court orders related to extending health care coverage to the children of an eligible parent-employee who is not currently covered on the group health (meaning health, dental and/or vision, as applicable) plan offered by LIFE, Inc. (known as Qualified Medical Support Orders (QMSO) or National Medical Support Notice (NMSN)). Compliance with these requirements may, depending on the terms and conditions of the various benefit plans offered under the Plan, necessitate the enrollment of an employee who is not enrolled at the time of the order. LIFE, Inc. has adopted procedures to comply with QMSOs that are received from a court with valid jurisdiction and that also satisfy requirements that may also existed under applicable state law. A copy of these procedures may be obtained at no cost by contacting Wilson Raynor by phone at 919-778-1900 or by email at wraynor@lifeincorporated.com.

## Family & Medical Leave Act Compliance & Related or Similar State or Local Laws

Where applicable, LIFE, Inc. will comply with relevant federal, state or local laws related to leave, which may be paid or unpaid depending on state or local law, related to family or medical purposes. LIFE, Inc. shall provide posted notice of their obligations which are not included in this Annual Notice Packet. However, to the extent such leave (if available to an eligible, enrolled employee) requires the continuation of applicable benefits, LIFE, Inc. shall comply with those obligations as provided under the law.

## Patient Protection Disclosure

LIFE, Inc. sponsors a Group Health Plan that may, in some situations, require or allow a beneficiary to designate a primary care provider. In the event that the ability or requirement to designate a primary care provider is a component of the benefit package:

- You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members.
- For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from the Group Health Plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals.

Until you make this designation, the claims administrator will designate one for you. For information on how to select a primary care provider, and to verify that the need or the option to designate a primary care physician applies to your benefits, as well as for a list of the participating primary care providers, contact the Wilson Raynor at 919-778-1900 or wraynor@lifeincorporated.com.

## Life Insurance Conversion Rights

**What is the conversion privilege?** The right of an individual insured under the LIFE, Inc.'s Group Life Insurance policy to replace all or part of the Life Insurance Benefit with an individual policy if all or part of his coverage under the group policy terminates. No medical examination or other evidence of good health is required for a conversion policy.

The converted policy will be effective 31 days after coverage under the group policy terminates. This 31-day period is referred to as the conversion period. The group policy and your certificate may specify a different conversion period. If a person insured under the group policy dies within the conversion period, any death benefit provided by the group policy will be paid.

**When can you convert?** An individual eligible to convert, as described below, can convert during the conversion period, which follows immediately after the date s/he ceases to be eligible under the group policy.

### Who is eligible to convert?

1. An Insured whose Life Insurance ends for any reason except for nonpayment of premiums is eligible to convert. If coverage ends because the group policy terminates, or because the class of insureds to which the insured belongs is terminated, the additional limitations, described below, apply.
2. An Insured whose Life Insurance is reduced or terminated because of age, retirement, or change in benefit amounts,

is eligible to convert the amount reduced or terminated.

3. An Insured's covered dependent may convert if the dependent ceases to be eligible because the insured ceases to be eligible, or because the dependent ceases to be an eligible dependent, as defined in the Group Policy. Each dependent eligible to convert must complete an application for an individual policy.

#### **How much can be converted?**

1. An insured employee or an insured dependent, whose coverage terminates because the employee or the dependent ceases to be eligible under the group policy, may convert up to the amount of coverage terminating under the group policy.
2. If the group policy terminates, or if coverage for a class of employees terminates, insured employees and dependents who were covered under the group life insurance policy for at least three years may convert \$10,000 or the amount of terminating group insurance, if less. Insurance regulations in some states require that an insured be permitted to convert after being insured under the group policy for a shorter period, or be permitted to convert a greater amount of terminating coverage. Please consult your Group Insurance Certificate or your Plan Administrator for details of your eligibility and amounts of coverage available to you.

**Who receives the insurance benefits in the event of the insured's death?** The beneficiary(ies) named on the application will receive the death benefit of the insured person. If one person, the Primary Beneficiary, is named, that individual will receive the entire death benefit. If two or more persons are named, they will share equally in the death benefit unless a percentage is specified for each individual. A contingent beneficiary who will receive the benefits in case the Primary Beneficiary should die before or at the same time as the insured, may also be named. This should be indicated in a manner similar to this:

Primary Beneficiary: Marilyn Smith, wife\*

Contingent Beneficiary: William P. Smith, Jr., son

*\* If a beneficiary is a married woman, use her given name, for example, Mary J. Smith and not Mrs. William Smith. If there is no relationship between the insured and the beneficiary, the application should indicate "no relationship" and the beneficiary's address and social security number must be entered on the application.*

**What type of policy can you convert to?** Conversion may be to any permanent Life Insurance Policy, except term insurance. Benefits other than pure life insurance (such as Waiver of Premium, AD&D or Accelerated Benefits) is not included in the individual policy (unless specified in the group contract).

#### **How to apply for conversion**

1. Complete Notice of the Right to Convert form (included within the Life Insurance Conversion packet in the group life insurance policy – you may need to request from your employer).
2. Select the amount of insurance you want to convert and indicate this amount on the application.
3. Calculate your premium for the amount you selected.
4. Send the completed application and premium payment to the address indicated in the packet. The premium payment should be by check or money order (do not send cash) and made payable as indicated in the packet.

#### **GINA Notice**

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law.

To comply with this law, we are asking that you not provide any genetic information when responding to any request for medical information. "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services. Further, you will not be subject to any adverse employment or benefit eligibility for failure to provide genetic information to your employer or group health plan.

## USERRA Notice

The Uniformed Services Employment and Re-Employment Rights Act of 1994 (“USERRA”) established requirements that employers must meet for certain Employees who are involved in the Uniformed Services (defined below). In addition to the rights that you have under COBRA (described in the section on COBRA), you are entitled under USERRA to continue the coverage you had under this Plan.

Your rights under COBRA and USERRA are similar but not identical. Any election that you make pursuant to COBRA will also be an election under USERRA, and COBRA and USERRA will both apply with respect to the continuation coverage elected. If COBRA and USERRA give you (or your covered Spouse or Children) different rights or protections, the law that provides the greater benefit will apply. The administrative policies and procedures described in the COBRA section (for example, the procedures for how to elect COBRA coverage and for paying premiums for COBRA coverage) also apply to USERRA coverage. COBRA and USERRA coverage run concurrently.

“Uniformed Services” means the U.S. Armed Services (including the Coast Guard), the Army National Guard and the Air National Guard (when engaged in active duty for training, inactive duty training or Full-Time National Guard duty), and the commissioned corps of the Public Health Service. Moreover, the President is authorized to expand the categories of Uniformed Services through the exercise of emergency or war powers.

“Service in the Uniformed Services” or “Service” means the performance of duty on a voluntary or involuntary basis in the Uniformed Services under competent authority, including active duty, active duty for training, inactive duty training, Full-Time National Guard duty and the time necessary for a person to be absent from employment for an examination to determine the fitness of the person to perform any of these duties.

### Duration of USERRA Coverage and Premium Payments

General rule: 24-month maximum. When a Covered Person takes a leave for Service in the Uniformed Services, USERRA coverage for the Employee (and covered Spouses and Children for whom coverage is elected) begins the day after the Employee loses coverage under the Plan, and it continues for up to twenty-four (24) months. There are situations in which USERRA coverage will terminate before the maximum USERRA period expires.

COBRA and USERRA coverage are concurrent. This means that both COBRA coverage and USERRA coverage begin upon commencement of the Employee’s leave, and COBRA coverage continues for up to eighteen (18) months while USERRA coverage continues for up to twenty-four (24) months, up to six (6) months longer than COBRA. COBRA coverage (but not USERRA coverage) may continue for longer, as described in the COBRA section. For example, George takes a Leave of Absence for service in the Uniformed Services beginning on August 1, 2006. George elects COBRA/USERRA continuation coverage and pays the required one hundred two percent (102%) of the premium each month for the next eighteen (18) months. Although George’s COBRA coverage would terminate at the end of this eighteen (18) month period, USERRA coverage could continue for another six (6) months, unless coverage is terminated earlier due to non-payment of premiums or other permitted event.

If you elect to continue your health coverage (or your Spouse or Children’s coverage) pursuant to USERRA, you will be required to pay one hundred two percent (102%) of the full premium for the coverage elected (the same rate as COBRA). However, if your Uniformed Service Leave of Absence is less than thirty-one (31) days, you are not required to pay more than the amount that you pay as an active Employee for that coverage.

### **Your Rights and Protections Against Surprise Medical Bills**

- When you get emergency care or get treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from surprise billing or balance billing.

- You're never required to give up your protections from balance billing. You also aren't required to get care out-of-network. You can choose a provider or facility in your plan's network.

### What is “balance billing” (sometimes called “surprise billing”)?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, such as a copayment, coinsurance, and/or a deductible. You may have other costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

- “Out-of-network” describes providers and facilities that haven't signed a contract with your health plan. Out-of-network providers may be permitted to bill you for the difference between what your plan agreed to pay and the full amount charged for a service. This is called “**balance billing**.” This amount is likely more than in-network costs for the same service and might not count toward your annual out-of-pocket limit.
- “Surprise billing” is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider.

**You are protected from balance billing for:**

#### Emergency services

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most the provider or facility may bill you is your plan's in-network cost-sharing amount (such as copayments and coinsurance). You **can't** be balance billed for these emergency services. This includes services you may get after you're in stable condition, unless you give written consent and give up your protections not to be balance billed for these post-stabilization services.

State requirements may provide additional protections, please contact Wilson Raynor for additional information.

#### *Certain services at an in-network hospital or ambulatory surgical center*

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers may bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers **can't** balance bill you and may **not** ask you to give up your protections not to be balance billed.

If you get other services at these in-network facilities, out-of-network providers **can't** balance bill you, unless you give written consent and give up your protections.

State requirements may provide additional protections, please contact Wilson Raynor for additional information.

### When balance billing isn't allowed, you also have the following protections:

- You are only responsible for paying your share of the cost (like the copayments, coinsurance, and deductibles that you would pay if the provider or facility was in-network). Your health plan will pay out-of-network providers and facilities directly.
- Your health plan generally must:
  - Cover emergency services without requiring you to get approval for services in advance (prior authorization).
  - Cover emergency services by out-of-network providers.
  - Base what you owe the provider or facility (cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.
  - Count any amount you pay for emergency services or out-of-network services toward your deductible and out-of-pocket limit.

**If you believe you've been wrongly billed**, you may contact the website maintained by the United States Department of Health and Human Services (HHS), in coordination with the Department of the Treasury, Department of Labor and the Office of Personnel Management, launched a website focused primarily on providing information about No Surprises Act provision <https://www.cms.gov/nosurprises/consumers>. - We may disclose your PHI for certain specialized government functions such as, for example, to Armed Forces Authorities with reference to military personnel or for national security purposes.

Unless you object, we may also disclose to a member of your family or other relative, to a close personal friend, or to any other person identified by you, PHI that is directly relevant to that person's involvement with your care or payment related to your care. In addition, unless you object, orally or in writing, to another employee or our Privacy Officer, we may use or disclose the PHI to notify, identify, or locate a member of your family, your personal representative, another person responsible for your care, or certain disaster relief agencies of your location, general condition, or death. If you are incapacitated, there is an emergency, or you otherwise do not have the opportunity to object to this use or disclosure, we will do what in our judgment is in your best interest regarding such disclosure and will disclose only the information that is directly relevant to the person's involvement with your healthcare. We will also use our judgment and experience regarding your best interest in allowing people to pick up filled prescriptions, medical supplies, test results, or other similar actions involving disclosure of PHI.

## **4. Eligibility and Participation Requirements**

### **Eligibility and Participation**

An eligible employee with respect to the Plan is any common-law employee of the Plan Sponsor who is eligible to participate in and receive benefits under one or more of the component benefits programs. The eligibility and participation requirements may vary depending on the particular component program and are described in the Plan Documents. You must satisfy the eligibility requirements under a particular component benefit program in order to receive benefits under that program (including completing any waiting period as noted in the Plan Documents). To determine whether you or your family members are eligible to participate in a component benefit program, please read the eligibility information contained in the Plan Documents for the applicable component benefit programs.

Eligibility to enroll on our group health plan may be impacted by your ACA Benefit Status, which is reflected in our counting policy. These rules, based on regulations adopted under the Affordable Care Act, are integrated into this Summary Plan Description to determine eligibility for full-time and other non-seasonal positions. Seasonal employees, if any, are not eligible to participate on the group health plan.

### **Application of Counting Policy Rules (ACA Eligibility for Health Plan)**

Plan Sponsor has adopted a Counting Policy and Procedure to determine when a newly hired variable hour employee would become eligible, and also to adopt a measurement period to determine on a regular basis when each employee would either be determined to be eligible, to lose their eligibility or to continue their eligibility based on the 30 hour per week/130 hours per month thresholds mandated by the Affordable Care Act. Please refer to Plan Sponsor's Counting Policy to determine if you are subject to special eligibility determination.

### **Need for Enrollment: Time Limits**

In general, eligible employees must complete an application form (available through the Human Resources Manager of LIFE, Inc.) to enroll themselves and/or their eligible dependents. New employees must generally enroll within certain time periods after being hired, as described in the Plan Documents. Thereafter, enrollment is generally limited to the annual open enrollment period that occurs before the beginning of each plan year.

### **Special Enrollment Rights**

In certain circumstances and with respect to particular component benefit programs, enrollment may occur at times outside the open enrollment period (this is referred to as "special enrollment"), as explained in the Plan Documents. The Plan's Special Enrollment Notice also contains important information about your potential special enrollment rights. Contact the Human Resources Manager of LIFE, Inc. if you need another copy.

### **When Participation Begins**

Once you, as an eligible employee, have completed the necessary enrollment paperwork, your coverage under the Plan may begin. Requirements may vary depending on the component benefit program. For information about when coverage begins, please read the eligibility and participation information contained in the Plan Documents.

### **Termination of Participation**

In general, your coverage under this Plan ends on the day on which you terminate employment with the Plan Sponsor (but this day may be different based on the benefit plans and administrative rules). Coverage also terminates if you fail to pay your share of the premium, if your hours drop below the required eligibility threshold, if you submit false claims, lose eligibility and for certain other reasons described in the Plan Documents. Coverage for your eligible and enrolled dependents stops when your coverage stops and for other reasons specified in the Plan Documents (for example, divorce or a dependent's attaining age limit). Coverage also ceases for participants upon termination of the Plan.

Coverage under a particular component benefit program stops according to the terms and conditions reflected in the Plan Documents. Note that termination of coverage under a particular component benefit program does not necessarily mean your coverage under the Plan in general terminates. You may still have coverage under another component benefit program.

#### **Anti-Alienation Clause**

You may not anticipate, exchange, pledge, encumber or otherwise assign any rights, benefit or payments under this Plan except where specifically allowed, or that you designate a Beneficiary, when applicable

### **5. Summary of Plan Benefits**

#### **Available Benefits and Contributions**

In general, the cost of the benefits provided through the component benefit programs will be funded in part by Company contributions and in part by pre-tax employee contributions. The Plan Sponsor will determine and periodically communicate your share of the cost of the benefits provided through each component benefit program, and the Plan Sponsor may change that determination at any time.

The Plan Sponsor will make its contributions in an amount that (in the Plan Sponsor's sole discretion) is at least sufficient to fund the benefits or a portion of the benefits that are not otherwise funded by your contributions. With respect to the insured component benefit programs, the Plan Sponsor will remit its contribution and your contributions to the insurer. With respect to benefits that are self-funded, the Plan Sponsor will use these contributions to pay benefits directly to (or on behalf of) you or your eligible family members from the Plan Sponsor's general assets. Your contributions toward the cost of a particular benefit will be used in their entirety prior to using Company contributions to pay for the cost of such benefit.

What you pay toward the cost of your benefits, if applicable, are included as an Appendix to this Wrap Plan Summary Plan Description (SPD).

#### **Qualified Medical Child Support Orders**

With respect to the component benefit programs, the Plan extends benefits to an employee's non-custodial child, as required by any qualified medical child support order (QMCSO), under ERISA §609(a). The Plan has procedures for determining whether an order qualifies as a QMCSO. Participants and beneficiaries can obtain, without charge, a copy of such procedures from the Human Resources Manager of LIFE, Inc..

#### **Administrative Requirements and Timelines**

As described in the Plan Documents, there may be other reasons that a claim for benefits is not paid, or is not paid in full. For example, claims must generally be submitted for payment within a certain period of time, and failure to submit within that time period may result in the claim being denied. In this regard, please consult the benefit materials referenced above.

### **6. How the Plan Is Administered**

#### **Plan Operations**

Because benefits under the Plan are provided both through insurance contracts and on a self-funded basis, the Plan is administered by LIFE, Inc. and, where applicable, the insurers.

#### **Plan Administration**

LIFE, Inc. is the Plan Administrator. As the Plan Administrator, LIFE, Inc. is responsible for satisfying certain legal requirements under ERISA with respect to the Plan (for example, distributing SPDs). The Human Resources Manager of LIFE, Inc. is the person who acts on behalf of the Plan Administrator. LIFE, Inc. has agreed to indemnify the Human Resources Manager for any liability that he or she incurs as a result of acting on behalf of the Plan Administrator, unless such liability is due to his or her gross negligence or misconduct.

The principal duty of the Plan Administrator is to see that the Plan functions according to its terms, and for the exclusive benefit of persons entitled to participate in the Plan. The administrative duties of the Plan Administrator include, but are not limited to, interpreting the Plan, prescribing applicable procedures, determining eligibility for and the amount

of benefits, authorizing benefit payments, and gathering information necessary for administering the Plan. The Plan Administrator may delegate any of these administrative duties among one or more persons or entities, provided that such delegation is in writing, expressly identifies the delegate(s), and expressly describes the nature and scope of the delegated responsibility. The Plan Administrator has the discretionary authority to interpret the Plan to make eligibility and benefit determinations as it may determine in its sole discretion. The Plan Administrator also has the discretionary authority to make factual determinations as to whether any individual is entitled to receive any benefits under the Plan. The Plan Sponsor will bear its incidental costs of administering the Plan.

### **Power and Authority of Insurer(s)**

Certain benefits under the Plan are fully insured. Benefits are provided under a group insurance contract entered into between LIFE, Inc. and the applicable Insurer. For those benefits, claims are sent to the applicable Insurer, who is responsible for determining and paying claims, not LIFE, Inc.. The applicable Insurer is responsible for (a) determining eligibility for a benefit and the amount of any benefits payable under the Plan; and (b) providing the claims procedures to be followed and the claims forms to be used by eligible individuals pursuant to the Plan. As Named Fiduciary for benefit determinations, the applicable Insurer has the discretionary authority to interpret the Plan in order to make benefit determinations. The Insurer also has the authority to require eligible individuals to furnish them with such information as they determine necessary for the proper administration of the Plan.

### **Your Questions**

If you have any general questions regarding the Plan (including, for example, whether you are eligible to participate in the Plan or a particular component benefit program offered through the Plan, or the amount of any benefit payable under the self-funded component benefit plans), please contact the Human Resources Manager, who acts on behalf of the Plan Administrator. If you have any question regarding your eligibility for, or the amount of, any benefit payable under the fully insured component benefit plans, please contact the appropriate Insurer.

## **7. Circumstances That May Affect Benefits**

### **Denial, Recovery, or Loss of Benefits**

Your benefits (and the benefits of your eligible family members) will cease when your participation in the Plan terminates. See Section 4. Your benefits will also cease upon termination of the Plan.

Other circumstances can result in the termination, reduction, recovery (through subrogation or reimbursement), or denial of benefits. For example, benefits may be denied if you have a preexisting condition (but not health benefits) or must incur costs within the exclusionary period under the certain benefit programs. See the referenced documents for additional details.

## **8. Amendment or Termination of the Plan**

### **Amendment or Termination**

LIFE, Inc., as the sponsor of the Plan, has the general right to amend or terminate the Plan at any time. The Plan may be amended or terminated by a written instrument signed by the LIFE, Inc. President or the Human Resources Manager, both of whom are authorized to amend or terminate the Plan and to sign insurance contracts with the insurers, including amendments to those contracts. Note, for this purpose, that an insurance contract is not necessarily the same as the Plan. (An insurance contract is how benefits under a particular component program offered through the Plan are provided.) Consequently, termination of an insurance contract does not necessarily terminate the Plan.

LIFE, Inc., as Plan Sponsor, has the right to amend or terminate the Plan at any time. The Plan may be amended or terminated by a written instrument duly adopted by Plan Sponsor or any of its delegates.

The Human Resources Manager of LIFE, Inc. may sign insurance contracts for the Plan on behalf of the Plan Sponsor, including amendments to those contracts, and may adopt (by a written instrument) amendments to the Plan that he or she considers to be administrative in nature or advisable in order to comply with applicable law.

## **9. No Contract of Employment**

### **No Contract of Employment**

The Plan is not intended to be, and may not be construed as constituting, a contract or other arrangement between you and the Plan Sponsor to the effect that you will be employed for any specific period of time.

## **10. Claims Procedures**

### **Claims for Fully Insured Benefits**

For purposes of determining the amount of, and entitlement to, benefits of the component benefit programs provided under insurance or contracts, the respective insurer is the named fiduciary under the Plan, with the full power to interpret and apply the terms of the Plan as they relate to the benefits provided under the applicable insurance contract.

To obtain benefits from the insurer of a component benefit program, you must follow the claims procedures under the applicable insurance contract, which may require you to complete, sign, and submit a written claim on the insurer's form. (See the Plan Documents for more information.)

The insurer will decide your claim in accordance with its reasonable claim's procedures, as required by ERISA (if ERISA applies) and other applicable law. The insurer has the right to secure independent medical advice and to require such other evidence as it deems necessary in order to decide your claim. If the insurer denies your claim in whole or in part, you will receive a written notification setting forth the reason(s) for the denial.

If your claim is denied, you may appeal to the insurer for a review of the denied claim. The insurer will decide your appeal in accordance with its reasonable claim's procedures, as required by ERISA (if ERISA applies) and other applicable law. If you do not appeal on time, you will lose your right to file suit in a state or federal court, because you will not have exhausted your internal administrative appeal rights (which generally is a prerequisite to bringing suit in state or federal court). Note that under certain circumstances, you may also have the right to obtain external review (that is, review outside of the Plan). (See the Plan Documents for more information.)

### **Claims for Self-Funded Benefits**

For purposes of determining the amount of, and entitlement to, benefits under the component benefit programs provided through the Plan Sponsor's general assets, the Plan Administrator is the named fiduciary under the Plan, with the full power to make factual determinations and to interpret and apply the terms of the Plan as they relate to the benefits provided through a self-funded arrangement.

To obtain benefits from a self-funded arrangement, you must complete, execute, and submit to the Plan Administrator a written claim on the form available from the Plan Administrator. The Plan Administrator has the right to secure independent review and to require such other evidence as it deems necessary to decide your claim.

The Plan Administrator will decide your claim in accordance with reasonable claims procedures, as required by ERISA. If the Plan Administrator denies your claim in whole or in part, then you will receive a written notification setting forth the reason(s) for the denial. (See the Plan Documents for more information.)

If your claim is denied, you may appeal to the Plan Administrator for a review of the denied claim. The Plan Administrator will decide your appeal in accordance with reasonable claims procedures, as required by ERISA. If you do not appeal on time, you will lose your right to file suit in a state or federal court, because you will not have exhausted your internal administrative appeal rights (which generally is a prerequisite to bringing a suit in state or federal court).

See the referenced materials for information about how to appeal a denied claim and for details regarding the insurer's appeals procedures.

## **11. Statement of ERISA Rights**

*Note that certain benefits are not covered by ERISA and this Statement of ERISA Rights does not apply to those benefit programs under this Plan.*

### **Your Rights**

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

## **Receive Information About Your Plan and Benefits**

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites, all documents governing the Plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series, if required) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual 5500 report (if required) and updated summary plan description (SPD). The Plan Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual Form 5500, if any is required by ERISA to be prepared, in which case LIFE, Inc., as Plan Administrator, is required by law to furnish each participant with a copy of this summary annual report.

## **Prudent Actions by Plan Fiduciaries**

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a Plan benefit or exercising your rights under ERISA.

## **Enforce Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps that you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report (Form 5500, for plans with 100 or more participating employees), from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require LIFE, Inc., as Plan Administrator, to provide the materials and pay you up to \$110 per day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored in whole or in part, and if you have exhausted the claims procedures available to you under the Plan (discussed in Section 10), you may file suit in a state or federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

## **Assistance with Your Questions**

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor (listed in your telephone directory) or contact the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

# Your Premium Conversion Plan—A Brief Description

LIFE, Inc. has established a Premium Conversion Plan, which lets you pay for your employer-sponsored benefits with pre-tax dollars. This is a tax benefit, the effect of which is to lower the cost to you of your premiums for employer-sponsored medical insurance.

This is a brief description of the Premium Conversion Plan. The Premium Conversion Plan is governed by an official plan document. If there are any differences between this description and the official plan document, the official plan document will govern.

## What is the Premium Conversion Plan and how does it work?

The Premium Conversion Plan is set up under Section 125 of the Internal Revenue Code and provides you with a tax benefit. This is how it works: A portion of your pay is withheld by LIFE, Inc. for the purpose of paying your share of your medical premium. The money withheld for premiums is not subject to federal income, Medicare, or Social Security (FICA) taxes, and in most cases, state and local taxes. Accordingly, you will save on most federal, state, and local taxes (the exact savings depends upon your tax bracket and your state of residence). Here’s an example:

John earns \$2500 each month. His federal income tax bracket is 15%, his FICA tax rate is 7.65%, and his state income tax rate is 4.75%, for a total tax rate of 27.4%. His employer sponsors a medical plan, and employees must contribute \$300 per month for employee only coverage. By paying for his portion of the premiums with pre-tax dollars, John’s take-home pay only decreases by \$217.80 each month. John saves \$82.20 by paying for his share of the premiums with pre-tax dollars.

	If John pays for his share of his coverage with after-tax dollars	If John participates in the premium conversion plan and pays with pre-tax dollars
Gross monthly income	\$2,500	\$2,500
Pre-tax deduction for employee share of medical premiums	0	\$300
Taxable income for the month	\$2,500	\$2,200
Taxes (taxable income multiplied by total tax rate of 27.4%)	\$685	\$602.80
Net pay for the month	\$1,815	\$1,597.20
After-tax payment of employee share of medical premiums	\$300	\$0
Take-home pay after employee contribution for medical coverage	\$1,515	\$1,597.20 (savings of \$82.20)

## Am I eligible to participate?

You are eligible to participate in the Premium Conversion Plan if you are a common law employee of LIFE, Inc. and satisfy the minimum hour requirements and waiting period for new employees. You are not eligible to participate if your employer determines that you are:

- Self-employed
- An independent contractor
- A consultant or advisor

### **May premiums for my family's coverage be paid by Premium Conversion?**

Generally, yes—but there is an exception. Under IRS rules, pre-tax dollars may only be used to pay for the premiums of someone who is your dependent, as defined under the Internal Revenue Code. If an individual is a dependent for purposes of your medical coverage but not a dependent as defined by the Internal Revenue Code, your payments toward that individual's coverage may not be paid with pre-tax dollars through this Premium Conversion Plan but must be paid instead on an after-tax basis. You may want to consult your tax advisor for information about whether someone is your tax dependent. LIFE, Inc. may ask for information about the tax status of your dependents to ensure that you comply with the terms of the Premium Conversion Plan.

### **How do I enroll?**

You are automatically enrolled in the Premium Conversion Plan as of the day the Premium Conversion Plan is established, or your date of hire if you are hired after the Premium Conversion Plan is established. Your participation will continue automatically unless you elect not to participate.

### **Can I choose not to participate in the Premium Conversion Plan?**

Yes. To opt-out of the Premium Conversion Plan, you need to complete a written waiver/election form and return it to LIFE, Inc.'s Human Resources Department. If you do not pay federal income tax, you should consider waiving participation in the Premium Conversion Plan (but your contributions will still be treated as post-tax for the purpose of FICA obligations).

### **How does participation in the Premium Conversion Plan affect my other benefits, such as Social Security?**

Participating in the Premium Conversion Plan could slightly lower your Social Security benefit. This is because your Social Security benefit is calculated based on your taxable earnings. Participating in the Premium Conversion Plan will reduce your taxable earnings and accordingly affect your Social Security benefit calculation. You may experience a similar effect on other benefits such as life insurance, disability, or pension benefits, depending upon how these other benefits define compensation. If these benefits, like Social Security, are calculated based on your taxable earnings, your participation in the Premium Conversion Plan could result in lower benefits.

### **May I change my Premium Conversion Plan participation?**

Each year, we will have an open enrollment period during which you may change your participation in the Premium Conversion Plan. During open enrollment, you may elect to participate if you haven't been doing so, you may cancel your participation, or you may make a change to your election—such as increasing your participation level to add a dependent to your medical coverage.

Except for annual open enrollment, you cannot change your Premium Conversion Plan participation unless you experience a "change in status" as defined by the Internal Revenue Service. If you experience a change in status, you may only change your participation status within 30 days of the event, and your requested change must be consistent with the change in status that you experience.

The following is a list of changes in status that may allow you to make a change to your elections.

- **Legal marital status:** Any event that changes your legal marital status, including marriage, divorce, death of a spouse, legal separation, and annulment.

- **Number of eligible dependents:** Any event that changes your number of eligible dependents including birth, death, adoption, legal guardianship, and placement for adoption.
- **Employment status:** Any event that changes your or your eligible dependents' employment status that results in gaining or losing eligibility for coverage. Examples include:
  - Beginning or ending employment;
  - A strike or lockout;
  - Starting or returning from an unpaid leave of absence;
  - Changing from part-time to full-time employment or vice versa; and
  - A change in work location.
- **Dependent status:** Any event that causes your dependents to become eligible or ineligible for coverage because of age, student status, or similar circumstances.
- **Residence:** A change in the place of residence for you or your eligible dependents if the change results in your or your eligible dependents living outside your medical or dental plan's network service area.
- **Loss of Other Coverage:** If you decline enrollment for yourself or your eligible dependents because of other health insurance or group health plan coverage, you may be able to enroll yourself and your eligible dependents in the Premium Conversion Plan if you or your eligible dependents lose eligibility for that other coverage (or if the other employer stops contributing towards your or your dependents' other coverage).
- **Government coverage:** If you or your eligible dependents become entitled to or lose entitlement to Medicare or Medicaid, or lose entitlement to certain other governmental group medical programs.

Please note that in order to change your benefit elections due to a change in status, you may be required to show proof verifying that these events have occurred (e.g., copy of marriage or birth certificate, or divorce decree, etc.)

### **What happens if I take a leave of absence or terminate employment?**

If you take a leave of absence, you may be able to revoke your election. See your employer about information about your rights. If you stop working for your employer, whatever the reason, your participation in the Premium Conversion Plan will automatically terminate. This means that any premiums for medical coverage after you stop working must be paid with after-tax dollars.

# Continuation Coverage Rights Under COBRA

## Introduction

You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

**You may have other options available to you when you lose group health coverage.** For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

## What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage [*choose and enter appropriate information: must pay or aren't required to pay*] for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

## When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

**For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to:** Wilson Raynor, LIFE, Inc., 919-778-1900 or [wraynor@lifeincorporated.com](mailto:wraynor@lifeincorporated.com).

## How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage. There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

### *Disability extension of 18-month period of COBRA continuation coverage*

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

### *Second qualifying event extension of 18-month period of continuation coverage*

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

## Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, [Children's Health Insurance Program \(CHIP\)](#), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at [www.healthcare.gov](http://www.healthcare.gov).

## Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period<sup>1</sup> to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.
